## NOTICE TO THE PUBLIC OF A JOINT PETITION BY AQUA VIRGINIA, INC. AND GREAT BAY UTILITIES, INC. FOR APPROVAL OF A CHANGE IN CONTROL OF ALL OF THE ASSETS OF A PUBLIC UTILITY CASE NO. PUR-2023-00044

On April 5, 2023, Aqua Virginia, Inc. (“Aqua Virginia” or “Company”), along with Great Bay Utilities, Inc. (“Great Bay”) (collectively, “Joint Petitioners”), by and through counsel and pursuant to the provisions of Chapter 5 of Title 56 of the Code of Virginia (“Code”), completed the filing with the Virginia State Corporation Commission (“Commission”), of a Joint Petition for approval of the merger of Aqua Virginia and Great Bay into one corporation, with Aqua Virginia as the surviving entity (“Joint Petition”). Specifically, Joint Petitioners seek authority for the acquisition by Aqua Virginia, and the disposition by Great Bay, of control of all of the assets of Great Bay, as well as the necessary authority to transfer the assets of Great Bay to Aqua Virginia pursuant to § 56-88.1 of the Code.

According to Joint Petitioners, the proposed merger will permit more efficient financing and administration of water and wastewater service through one legal entity and allow Aqua Virginia to maintain rates at more reasonable levels in the longer term. Further, Joint Petitioners state that by bringing the Great Bay systems under Aqua Virginia, those systems will be subject to the full range of the Commission’s public utility regulatory authorities without the exceptions now applicable to Great Bay under Title 56, Chapter 10.2 of the Code. Finally, Joint Petitioners indicate that the merger of the companies also facilitates increased efficiencies of operation, improves customer service, and allows more efficient and less costly oversight of the Great Bay systems.

Per Joint Petitioners, following termination of the corporate existence of Great Bay, Aqua Virginia will acquire title, possession, and control of all the assets owned by and will directly serve all of the customers of Great Bay. Joint Petitioners represent that the merger contemplated herein will not change rates for the customers of any of the Joint Petitioners at this time. Until such time as Aqua Virginia proposes rate changes for customers of Joint Petitioners by separate application filed with the Commission, the Company will continue to charge the rates Great Bay currently charges its customers. Moreover, Joint Petitioners maintain that adequate service at just and reasonable rates will not be jeopardized, but rather enhanced, by the proposed transaction. Finally, Joint Petitioners request that the twenty certificates of public convenience and necessity currently held by Great Bay be amended permit Aqua Virginia to serve in the territories currently served by Great Bay.

TAKE NOTICE that the Commission may adopt findings and recommendations that differ from those appearing in the Joint Petition and supporting documents.

The details of these and other proposals are set forth in the Joint Petition. Interested persons are encouraged to review the Joint Petition and supporting exhibits for the details of these proposals.

The Commission entered an Order for Notice and Comment that, among other things, directed Joint Petitioners to provide notice of their Joint Petition and provided interested persons an opportunity to comment or request a hearing on the Joint Petition.

To promote administrative efficiency and timely service of filings upon participants, the Commission will, among other things, direct that all pleadings, briefs, or other documents required to be served in this matter be submitted electronically to the extent authorized by 5 VAC 5-20-150, Copies and format, of the Commission’s Rules of Practice and Procedure (“Rules of Practice”).
