## Robert O. Norris Bridge Replacement Project Lancaster County Middlesex County Citizen Information Meeting

**Tuesday, March 19, 2024, 5-7 p.m.**

Lancaster Middle School

191 School Street, Kilmarnock, VA 22482

<http://www.publicinput.com/norrisbridgereplacement>

**Come see** preliminary information and learn more about preliminary engineering activities on a proposed project to replace the Robert O. Norris Bridge, which carries Route 3 traffic over the Rappahannock River between Lancaster and Middlesex counties. Virginia Department of Transportation (VDOT) staff will deliver a presentation shortly after the meeting begins at 5 p.m. and will be available after the meeting through 7 p.m. to answer questions.

A project construction schedule and proposed design plans are not yet available. Additional public meetings and opportunities to submit public comment will be provided as the project advances.

This project will involve a change and/or break in limited access control.

National Environmental Policy Act (NEPA) documentation, in the form of an Environmental Assessment (EA), is being developed to evaluate the potential impacts on the human and natural environments that could result from the proposed improvements. A public hearing will be held at a future date to gather comment on the Norris Bridge replacement project environmental review, and a design public hearing will also be held at a future date on proposed project designs when they are available.

In compliance with the National Historic Preservation Act, Section 106 and 36 CFR Part 800, information concerning the potential effects of the proposed project on properties listed in or eligible for listing in the National Register for Historic Places will be provided in the project's environmental documentation.
